

Reporting Form: Vehicles Used for Agricultural Operations

For vehicles that are used a majority of the time (but **not** solely) for agricultural operations, the fleet owner must report the following information:

- (a) An hour meter reading from on or before January 1, of the previous calendar year;
- (b) An hour meter reading from on or after December 31, of the previous calendar year; and
- (c) The total number of hours the vehicle was used for non-agricultural purposes in the previous calendar year.

For more information on what is considered agricultural operations, please see the "Agricultural Equipment" frequently asked questions (FAQs) document, which is available on the Off-Road Knowledge Center website at:
www.arb.ca.gov/msprog/ordiesel/knowcenter.htm

This reporting form must be submitted to the Air Resources Board by March 1 (each year that annual reporting is required for a fleet). To submit this form, scan the completed form(s) and email them to doors@arb.ca.gov, fax to (916) 322-3923, or mail this completed form(s) to:
